To all Quidditch Players and Fans across the state and beyond, The Utah Quidditch Organization would like to wish you a Happy Thanksgiving! We hope that you are able to have a good old day with family and friends, as you celebrate a day of gratitude, and becoming befuddled over a magnificent feast!

Happy Birthday IQA!

On November 11th, the International Quidditch Association celebrated its third year anniversary of facilitating interscholastic Quidditch! As we remember those things we are grateful for, how can we miss raising a glass of pumpkin juice to the turkeys who made it all possible? Thank you to all those who have brought this one-of-a-kind sport to a world of rising athletes!
